**POLICIES FOR SANITATION COLLECTION**

1. A new customer or a change in service requires Form 7, Application of Service, be filled out at the Public Utilities Office. The form must be signed by the applicant. Copies will be disbursed to the following departments: Public Utilities, Billing Department, Sanitation Department.
2. Effective date for new or changed service will be established by the Sanitation Department Head. Billing Department will adjust customer bills accordingly.
3. Any customer requesting a Senior Citizen Rate must complete the necessary form and provide proof of age.
4. Any customer who has residential utility service with the City shall be subject to charges for garbage service and shall comply with all City health ordinances regarding the disposal of solid waste. Charges for garbage service may be waived by the Utility Director or City Manager for customers with residential utility service that do not reside on a current residential truck route.
5. The City's garbage service to residential customers shall be exclusive and no other person, firm or corporation shall provide residential garbage service within the City limits of Brenham. Residential garbage service shall include garbage pick up at any residence at least monthly.
6. Outside the city limits services are available to residential customers presently residing on a current residential truck route that is adjacent to the city limits.
7. Garbage must be at the curb by 8:00 A.M. on collection day.
8. All garbage must be placed within five feet of curb or edge of pavement.
9. Bags shall at all times be kept secure and fastened to prevent scattering of the contents by the wind and so that flies and other insects may not have access to the contents.
10. Residential collection trucks will not pick up tires, grass clippings, leaves, tree trimming, batteries, carpet, construction materials, furniture and heavy metal objects.
11. Disposal of hazardous waste, explosives, ammunition, used oil and filters, flammable liquids, radioactive waste and/or lead-acid batteries in the City's Sanitation Collection Station is strictly prohibited. Vehicle tires shall not be placed for collection by the City, but will be accepted for disposal at the City's Collection Station
12. A special yard waste collection is provided every Wednesday for those residents who are unable to take their yard waste to the Citizens Collection Station.
