AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Ordinance No. O-11-009 on its Second Reading Amending Chapter 16, Occupational Licenses and Business Regulations, of the City of Brenham's Code of Ordinances to Provide for the Regulation of Sexually Oriented Businesses within the City Limits		
SUMMARY STATEMENT: Upon review of the Code of Ordinances, it was determined that the City of Brenham's ordinance regulating sexually oriented businesses has not been reviewed and/or updated since 1993.		
Over the past couple of months, I have been working closely with the City Attorney to write a new ordinance. At the July 21 st council meeting, an ordinance was presented for 1 st reading that would protect our community from the negative secondary effects related to sexually oriented businesses while respecting the Constitutional Rights of sexually oriented businesses.		
As requested by the Council at first reading, the ordinance being presented has been amended to include:		
<ul style="list-style-type: none"> • A 1,320 feet buffer from protected classes; • Available areas being restricted to Industrial zoned areas of the city; and • Amending the annual license renewal fee to \$1,000

WHEREAS, the City Council intends that these regulations should have neither the purpose nor effect of imposing a limitation or restriction on the content of any speech, expression or communicative materials, including sexually oriented speech, expression and communicative materials, nor the effect of restricting or denying access by adults to sexually oriented speech, expression or communicative materials protected by the First Amendment, or denying access by the distributors and exhibitors of sexually oriented entertainment to their intended market; and

AGENDA ITEM DESCRIPTION: Discuss and Possibly Act Upon Resolution No. R-11-008 Providing for a Moratorium on the Processing, Approval, and Issuance of Sexually Oriented Business License/Permit Applications		
SUMMARY STATEMENT: As you know the City Attorney and I have been working through a review and update of many of the ordinances in the City of Brenham Code of Ordinances. One of the ordinances in need of review was the ordinance regulating sexually oriented businesses within the city. Up until recently, the City had never had anyone inquire about opening a sexually oriented business; therefore, the application/permit process had never been developed. I have been working closely with the City Attorney on drafting a new ordinance; however, I am requesting a moratorium on the processing, approval and issuance of any applications/permits to allow me additional time to work with other city staff members on the required application and permit forms.
