3. Orientation specific to the needs of a resident whose needs have changed due to injury, illness, hospitalization or other circumstances which affect the resident's needs within one (1) day of the owner, operator, or employee becoming aware of the change.

Sec. 16-62. Criminal background history checks.

A boarding home facility owner/operators permit to operate a boarding home may be denied, revoked, suspended, or denied for renewal if the owner/operator has been convicted of a criminal offense listed in this section, or if the owner/operator has in its employ any person convicted of a criminal offense listed in this section.

The owner/operator must complete any state or federal request and release forms that are required to obtain a criminal history report for the owner/operator. The owner/operator will provide funding to the appropriate agency in a manner specified by the appropriate agency to cover any fees imposed by state or federal agencies for the report.

The following histories will disqualify an owner/operator from obtaining a permit to operate a boarding home facility and will disqualify a person from being employed by a boarding home facility:

A person may not own or operate a boarding home facility or be employed in a position that involves direct contact with a resident in a boarding home facility before the fifth (5th) anniversary of the date the person is convicted of any felony offense not listed in this section or any of the following non-felony offenses:

1. An offense under Section 22.01, Penal Code (assault), that is punishable as a Class A misdemeanor;
2. An offense under Section 32.45, Penal Code (misapplication of fiduciary property or property of a financial institution), that is punishable as a Class A misdemeanor;

The owner/operator must ensure that all employees (or volunteers who are not residents) who are hired or begin volunteering for the facility after the effective date of this Article, have had a background check of conviction records, pending charges and disciplinary board decisions completed no more than thirty (30) days prior to their date of employment or date they began volunteering at the facility and is repeated annually thereafter, and that the individual is not disqualified under the provisions of this section.

The owner/operator must ensure that all existing employees or volunteers who are working for or volunteering at the facility on the effective date of this Article shall have a background check or conviction records, pending charges and disciplinary board decisions completed within sixty (60) days after the effective date of this Article, and is repeated annually thereafter, and that the individual is not disqualified under the provisions of this section.

The owner/operator or each boarding home facility shall submit an affidavit to the City with its original application and annual renewal certifying that the owner has performed criminal history background check on each owner/operator, employee and volunteer, and that no owner/operator, employee or volunteer has been convicted of a disqualifying criminal offense set forth in this section. The owner/operator will immediately discharge any employee or volunteer whose criminal history check reveals conviction of a criminal offense that bars employment or volunteer service with the boarding home facility. Further, if an owner/operator, employee, or volunteer is convicted of a disqualifying criminal offense during the period that a permit is in effect; the owner/operator must report such conviction to the City within ten (10) calendar days of such conviction.

Sec. 16-63. Assessment and periodic monitoring of residents.

Owners/operators of a boarding home facility or their designee will complete and document an annual assessment and conduct periodic monitoring to ensure that a resident is capable of self-administering medication and completing basic elements of personal care as listed in this section. The assessment will be used as a tool to determine if the needs of the resident can be addressed in a boarding home facility or if the resident needs personal care services and/or medication administration that cannot be provided by the boarding home facility.

Elements of the self-administration of medication to be assessed by the boarding home facility owner/operator or designee include the ability to perform each of the following tasks with little assistance:

1. Identifying the name of the medication;
2. Providing a reason for the medication (the owner/operator cannot force the resident to disclose a health condition that is the basis for the medication if the resident refuses);

3. Distinguishing color or shape;
4. Preparing correct number of pills (dosage);
5. Confirming the time to take medication(s); and
6. Reading labels.

Elements of personal care to be assessed by the boarding home facility owner/operator include the residents' ability to:

1. Eat independently;
2. Bathe without assistance;
3. Dress without assistance; and
4. Move and transfer independently.

As a result of an assessment, if an owner/operator finds that a resident is in a state of possible self-neglect due to no longer being able to perform basic elements of personal care as listed in this section and believes that a higher level of care is needed, the owner/operator is responsible for the following:

1. Contacting the Department of Family and Protective Services (DFPS) by phoning the Statewide Intake Division at 1-800-252- 5400;
2. Notifying the resident's guardian or legally authorized representative; and
3. Contacting the appropriate health or human services authority to advise that the resident requires services beyond what can be provided by the boarding home facility

A state of self-neglect does not exist if the resident receives outside professional services that meet the resident's need for personal care or self-administration of medication. In these cases, the resident can remain in the boarding home facility provided that all needs for personal care and self-administration of medication are met.

Sec. 16-64. Required reports to the Health and Human Services Commission.

With the exception of the year this article is adopted, each year thereafter, prior to September 30, the City Secretary shall submit a report to the Health and Human Services Commission. The report shall contain the following information:

1. The total number of boarding home facilities permitted during the preceding state fiscal year (September 1 – August 31);
2. The total number of boarding home facility applications denied permitting, including a summary of cause for denial;
3. The total number of boarding home facility permits active on August 31 of the preceding state fiscal year;

4. The total number of residents reported housed in each boarding home facility reported;
5. The total number of inspections conducted at each boarding home facility by the City;
6. The total number of permits revoked or suspended as a result of an inspection; and
7. A summary of the outcome for the residents displaced by revocation or suspension of a permit.

Sec. 16-65. Expiration and renewal of permits.

At least sixty (60) days prior to the expiration date of a boarding home facility permit, the owner/operator shall submit to the City Secretary's Office a permit renewal application and associated fees. An owner/operator that fails to timely renew its permit shall forfeit the right to operate the boarding home facility within the City until such time as the renewal is approved.

Sec. 16-66. Complaints.

All complaints related to a boarding home facility shall be submitted in writing to the Code Enforcement Officer on a form prescribed by the City. The Code Enforcement Officer shall investigate each complaint to the extent he or she deems necessary. The Code Enforcement Officer shall report any violations to the City Secretary for further action in accordance with this Article.

Sec. 16-67. Suspension, denial or revocation of permit.

The City Secretary shall issue a written notice of intent to suspend, deny or revoke a boarding home facility permit if it is determined that an owner/operator has:

- (1) Violated or is not in compliance with any provision of this Article; or
- (2) Refused or failed to allow an inspection of the boarding home facility as authorized by this Article.

Sec. 16-68. Denial, suspension and revocation procedures.

If the City Secretary determines that facts exist for denial, suspension or revocation of a permit under this Article, he/she shall notify the owner/operator (respondent) in writing of the intent to deny, suspend or revoke the permit, including the grounds therefor, by personal delivery, or by certified mail.

The notification shall be directed to the owner/operator at the most current business address of the boarding home facility on file with the City. Within five (5) business days of receipt of such notice, the respondent may provide to the City Secretary, in writing, a response that shall include a statement of reasons why the permit should not be denied, suspended or revoked. Within ten (10) business days of the receipt of respondent's written response, the City Secretary shall notify respondent in writing of the hearing date on respondent's denial, suspension or revocation proceeding.

Within fifteen (15) business days of the City Secretary's receipt of respondent's written response, the City Manager shall conduct a hearing at which respondent shall have the opportunity to be represented by counsel and present evidence and witnesses on his or her behalf. If a response is not received by the City Secretary in the time stated above or, if after the hearing, the City Manager finds that grounds as specified in this Article exist for denial, suspension or revocation, then such denial, suspension, or revocation shall become final five (5) business days after the hearing unless within that time the City Manager sends, by certified mail, written notice that the permit has been denied, suspended, or revoked or if the permit will be issued or allowed to remain in effect. If the permit is denied, suspended or revoked such notice shall include a statement advising the applicant or permittee of the right to appeal such decision to a court of competent jurisdiction.

If after a hearing, the City Manager finds that insufficient grounds exist for the denial, suspension or revocation of a permit, then within five (5) business days after the hearing, the City Manager shall withdraw the intent to deny, suspend or revoke the permit, and shall so notify the respondent in writing of such action by certified mail and shall contemporaneously issue the permit or allow the permit to remain in effect, as applicable.

When a decision to deny, suspend, or revoke a permit becomes final, the applicant or permittee (aggrieved party) whose application for a permit has been denied, or whose permit has been suspended or revoked, shall have the immediate right to appeal such action to a court of competent jurisdiction. Until the court of competent jurisdiction issues its final judgment, the decision to deny, suspends or revoke a permit shall remain in effect and be enforced.

A boarding home facility which is directly or indirectly a part of civil litigation, an administrative hearing, or procedures regarding the denial, suspension or revocation of the permit, such permit shall not be transferred, sold or given to another person during the pendency of the judicial or administrative processes.

Sec. 16-69. Transfer of permit.

A person commits a violation if the person transfers a permit or permits to another person the operation of a boarding home facility under the authority of a permit at any place other than the address designated on the permit. A transfer of a permit is deemed to have occurred if there is a transfer of ownership or control of the boarding home facility.

Sec. 16-70. Offenses and criminal penalties.

Any person who shall violate any provision of this Article shall be deemed guilty of a misdemeanor and punished by a fine not less than one dollar (\$1.00) and not exceeding two thousand dollars (\$2,000.00) ; and if such violation shall continue from day to day, each day's violation shall constitute a separate offense.

Sec. 16-71. Notice of violation.

The City shall provide to the boarding home written notice of each alleged violation of this Article. The notice may be sent by certified mail, return receipt requested, to the owner/operator at the business address of the boarding home facility as it appears on its permit application, to the attention of the permittee, as it appears on the permit application, or may be personally delivered to the permittee. Failure of the City to provide such notice is not a violation of this Article, and shall not affect or invalidate any subsequent prosecution of a violation of this Article.

Sec. 16-72-79. Reserved.
